Re: Volunteer Waiver of fees for Vulnerable Sector Check

August 28, 2023

Dear Police Services:

_____, has applied to be a Trainer with Collingwood Minor Hockey Association. To comply with the Ontario Minor Hockey Association, all coaching staff, on ice volunteers, and board members have been asked to provide criminal record check, that includes a Vulnerable Sector Screening to our organization. Collingwood Minor Hockey Association develops participants aged 5-18 in the skills of hockey. CMHA is a gender-neutral organization welcoming all genders, as participants.

Working with venerable description: Trainer role with vulnerable people: talking with individuals, assisting on ice with during practices, in the event there is a possible injury to an individual. The trainer through proper training will take the proper steps to determine the possible injury, this may include physically touching the individual where there is pain. OMHA training outlines the correct way to perform a check, so that the injured person is not put into a position that they could be abused. CMHA has through a screening process and a coaching development program coaches and other bench staff on how to work with vulnerable participants in the correct way. Due to the volunteer nature of the position, CMHA requests that the fees for this screening be waived.

Thank you for your assistance with this request.

Sincerely,

Rob Holroyd
