Re: Volunteer waiver of fees for Vulnerable Sector Screening

August 29, 2022

Dear Police Service,

_____ has applied to be a Volunteer for the Collingwood Minor Hockey Association. In order to comply with the Ontario Minor Hockey Association, all coaching staff, on ice volunteers, and board members have been asked to provide a Criminal Record Check that includes a Vulnerable Sector Screening to our organization. Collingwood Minor Hockey Association develops participants aged 5 – 18 in the skills of hockey. CMHA is a gender neutral organization welcoming all genders, as participants.

Working with vulnerable people description:

Volunteer role with vulnerable people: A volunteer may from time to time have to interact with the participants, either as an on-ice helper, assisting with try outs, tournaments or participation days. The physical safety and mental well-being of participants is always considered when a volunteer has to interact with a participant. CMHA has a thorough screening process and a development program for Volunteers on how to work with vulnerable participants in the correct way.

Due to the volunteer nature of this position, CMHA requests that the fee for this screening be waived.

Thank you for your assistance with this request.

Sincerely,

Rob Holroyd
